## Rate Increases for Home Health Agencies for Pediatric Therapy and Nursing Services

The 2009 Nevada State Legislature approved rate increases for certain pediatric therapy and nursing services rendered by Home Health Agencies (provider type 29).

The rate increases affect HCPCS procedure codes G0151, G0152, G0153, T1003, S9123 and S9124 billed for recipients under the age of 21 years with dates of service on or after July 1, 2009. Refer to the “[Rates Unit](#)” webpage on the DHCFP website (<http://dhcfp.nv.gov>) for reimbursement rates.

Refer to the [Billing Guidelines for Provider Type 29](#) for billing instructions.
